

RAISE YOUR VOICE

You look at the TV screen
And you realise
It's time to go out and scream
To all the world
How you feel

You walk slowly to the place
Where all people meet
Standing side by side
United with pride
No retreat

Chorus: Raise your voice
All above the noise
Never give up
You know I'll never let you down

Raise your voice
All above the noise
Never give up
You know I'll never let you down

Complain about stupid plans
Stand up for your rights
A matter of common sense
For everyone who can see

Together we are a force
That can't be denied
Standing side by side
United with pride
You and me

Chorus
